Erection of detached changing rooms for F1 Racing FC and temporary fencing around football pitches.

Cllr J Young declared an interest in this item.

Members would not wish to object in principle to an application to extend sports facilities within the Parish (Response C). However, they wish to raise the following concerns:-

Members would like further information relating to the exact siting of the proposed changing rooms and the type of temporary fencing to be used. They understand that the Planning Officer has requested additional information on this matter.

There being no further business, the meeting closed at 10.15 hours.
